

Summary of DYB Bat Specifications

- 1) Effective with the 2012 season, DYB will apply specific standards on all 2 1/4" **non-wood** bats.
- 2) All non-wood 2 1/4" bats (composite & aluminum/metal alloy) must be stamped with BPF 1.15 and stamped **"Approved for Play in Dixie Youth Baseball"** by the bat manufacturer and include the year manufacture stamp ("**2011**" or "**2012**").
- 3) While new 2 1/4" **aluminum/metal alloy** bats require the BPF 1.15 stamp in 2012, older **aluminum/metal alloy bats** with only the **"Approved for Play in Dixie Youth Baseball"** stamp will continue to be allowed. DYB will not publish a list of approved aluminum/metal alloy bats.
- 4) All **2 5/8" bats** do not require any approval or marking but may be used only in the "O"Zone Division. A new BBCOR-type standard is being developed for 2 5/8" bats for use in the "O"Zone division which will go into effect no earlier than 2013.
- 5) An **older 2 1/4" composite bat** which does not have all the required markings stamped on the bat by the manufacturer as described in (2) above will be allowed in 2012 if it is marked **"Approved for Play in Dixie Youth Baseball"** and appears on the list below:

Approved Composite Bats (Without the BPF 1.15 and/or Year Manufactured Stamp)

Mattingly Balistk

BTKYB

Combat 2011 B3 Gear
