

FLORIDA DIAMOND YOUTH BASEBALL (FDYB) STATE TOURNAMENT MINIMUM REQUIREMENTS

The requirements for hosting a FDYB State Tournament have been developed for the purpose of providing a play-off system to determine the number one team in Florida under the most rewarding and pleasant conditions possible, primarily, for the participants of the district tournament winners. While it is recognized that many side benefits will be realized for the host, parents and others, primary consideration in hosting this event should always be the welfare and concern for the participating teams.
