Dear Fans and Participants,

On behalf of the Town of Moncks Corner, we would like to welcome our players, families, and team officials to the 2023 Dixie Youth Ozone State Tournament. We are excited that we have been chosen to be this year's host and hope that your experience here will be a pleasant and enjoyable one.

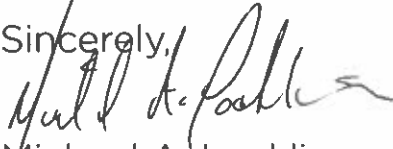

Moncks Corner is an attractive, thriving community which provides opportunity for its citizens and businesses while remaining safe and sound. Many years ago Town Officials had a vision to build a multi-purpose recreation facility that would be centrally located in the downtown business district. Our goal was to provide a safe and secure place for our children to play and enhance recreational opportunities for our youth. Because of the dedication and support of Town leaders, staff, local corporations, and Downtown Businesses we have exceeded our expectations. We continue to grow our facilities and are looking forward to hosting more tournaments and Town events in the future.

I would like to personally thank the Dixie Youth State Directors for choosing Moncks Corner for the 2023 Dixie Youth Ozone State Tournament and I would like to thank Town Staff for all of their hard work in preparing for this great event.

I hope you take an opportunity to explore and enjoy our beautiful and unique surroundings, and visit our local businesses and restaurants.

We wish you safe travels and hope that you will consider visiting us again in the near future.

Sincerely,

Michael A. Locklear,
Mayor
