Tournament Play

The theme for the week's play is **GOOD SPORTSMANSHIP**. The bottom line is that we are here to watch our children play a game, so please enjoy the games for what they are and let the participants do the same. Good sportsmanship is expected and required from all in attendance. Since rain is always a possibility, there may be times when games have to be delayed or rescheduled. Hopefully the weather will be favorable but should it not cooperate every reasonable effort will be made to complete the South Carolina State Tournament on time. The Tournament Director has the authority to waive rules and make exceptions to get the tournament completed. In the event your game is cancelled or rescheduled, make sure you get the word from your District Director or the Tournament Director.

Time to Play Ball!

You have turned in your line-up, both teams have taken their infield warm-up and we are ready to announce the players and coaches. We will announce the players and coaches prior to the beginning of every game. When they are announced the players will go to their defensive position on the field, coaches to their respective base line. With all of the players and coaches in position the Umpires will be announced. If it is the first game of the day we will have the Invocation and the National Anthem. The players and coaches will be asked to shake hands and play ball.

The continuous batting order will be used in the tournament and we will play all games to conclusion unless the run rule(s) prevails or. Please remember that it is a kid's game and only players with a catcher's helmet and mask are allowed to warm up pitchers. If a relief pitcher is being warmed up inside the fence while a game is in progress, the player-catcher must have on a catcher's helmet and mask, NOT A BATTERS HELMET, and another player with a helmet and glove must be stationed facing the field of play to protect those warming up from a foul ball.

With good planning the tournament should progress without any major problems. There will be questions as the week progresses but there will be DYB officials and the members of the Host Committee on-hand to provide answers. As mentioned earlier, your District Director is a good source of information, so use them as your first line of communication. Each player and coach participating in the South Carolina State Tournament will receive a medallion and the State Champion and runner up teams will also receive medallions and a team trophy in honor of their accomplishment.

All of the South Carolina State Tournaments will be played using double elimination brackets.
